OUR **BUSINESS MANAGEMENT** SERVICES

Our approach to Business Management is to be a **PERSONAL CFO** and offer concierge-style sophisticated services to meet the needs of the unique and complicated life of our clients. We help some of America's most enterprising and successful individuals and families define the lives they choose to live. NKSFB provides our clients the expertise to protect and collect all that they have earned, and equips them with tools necessary to succeed short and long-term.

We serve actors and professional athletes, musicians, producers, directors, writers and executives in the entertainment industry, as well as corporate executives, business owners and high net worth individuals in a wide range of industries throughout the United States.

NKSFB provides experienced, calculated and confident solutions based on solid planning and disciplined execution, all of which are completely and openly accountable to our clients.

We dedicate a team of seasoned Business Management professionals to each client, led by a partner at NKSFB with decades of success in the industry.

NKSFB's Business Management team is ready to provide tailored solutions so that each client is financially secure to pursue their chosen path. We call it . . . **LIFE DEFINED.**
